**TOWN OF ELLINGTON  
DEPARTMENT OF PUBLIC WORKS  
PRESS RELEASE**

In order to continue to assist the residents of Ellington in their continued efforts to cleanup leaves and brush, the Town's Residential Brush facility on Hoffman Road will be open Monday through Thursday 8 a.m. to 2:30 PM. These hours will continue until December 29, 2011 at which time it will close for the season at the end of the day.

The Public Works Department would like to extend a large thank you to all of our residents for assistance in the cleanup of Storm Alfred by placing their material at the curbside in a timely manner and/or by transporting their debris to our Brush Facility on Hoffman Road.

The Town of Ellington's Public Works Department has completed collection of storm debris along town roadways. Public Works forces are now cleaning up Town facilities and Parks.

Residents residing along State Roads, Routes 140, 83, 74, 30 and 286 will have their debris collected by the State Department of Transportation.

Thank you for your cooperation in this massive recovery effort created by Storm Alfred.
